

PERMANENT PRODUCTION PACKERS

SBP-L PERMANENT PRODUCTION PACKERS

Model SBP-L Permanent Production Packers have a larger ID through the packer bore making them an excellent choice for parallel string installations and similar applications. These wirelines set millable packers are available for 4 1/2" through 9 5/8" casings.

SPECIAL FEATURES

- Sets securely in any hardness casing, including premium grades
- Ratchet lock rings secure dynamic setting force
- Three-piece packing element and rocker action metal back up rings combine for a superior seal
- Threaded pin down connection for easy installation of accessories
- Can be set with GO, Baker or Gearhart wireline Setting Tools
