

SC TYPE SUR-GRIP VISE

SC TYPE SUR-GRIP VISE is a heavy duty screw-type vise designed for holding pipe, valves, fittings, or just about anything within the capacity of its positive grip jaws. Equipment may be placed in the versatile Sur-Grip from any of three sides with the fourth side acting as a positioning and steadying guide. The unit's easy rotating handle quickly extends at arm height for extra leverage for critical tightening applications. The Sur-Grip Vise is available in sizes 2"~13 3/8".

DIMENSION (MM)	HEIGHT OF VICE JAW (MM)
1850×1400×700	920
1850×1400×700	670
1850×1500×700	800
